## the 2022 charity beneficiary

The Abuse and Rape Crisis Center has been serving the community for over 40 years! Our mission is to end interpersonal violence.

We work with members of the community who have experienced interpersonal violence like domestic violence and sexual assault. Whether it was years ago or just happened, we are here to help.

Many of our services are private and confidential, so you may not see what we do each day, but we are there on the frontlines with survivors. Whether it's sitting down with a survivor in counseling,

accompanying a client to a court proceeding, getting a client settled in emergency housing, or answering the hotline, we are there. Our staff also goes into schools to teach prevention education to help prevent more violence from occurring.
